

For almost 60 years, we've been the world's
most dependable source
of premium U.S. flue-cured tobacco.

With our state-of-the-art new facility, we're pleased to add custom cut rag blends and expanded stem to our product line.

For tobacco buyers around the world, there's an exciting new source for premium U.S. flue-cured tobacco processed to your exact specifications.

With a new 350,000 square-foot facility, our manufacturing arm — U.S. Flue-Cured Tobacco Growers, Inc. — has the technology, the know-how, and the drive to make sure you're getting the world's richest, most flavorful tobacco products. At very competitive prices.

If you want the best, go to the best — U.S. flue-cured tobacco farmers — the people who take pride in producing premium U.S. flue-cured tobacco.
